EDUCATION

University of Nevada, Las Vegas

College of Engineering, B.S. Computer Science

2024

- Cumulative GPA: 3.60
- Coursework: Operating Systems, Compiler Construction, Algorithm Design

EXPERIENCE

Credit One Bank

Las Vegas, Nevada

IT Leadership Associate

Jul 2024 – Present

- Completed cross-functional rotations across VMware, OpenShift, and SecOps
- Automated OpenShift DR switchovers using Ansible Automation Platform across multi-datacenter environments
- Deployed OpenShift logging with Loki for centralized application and infrastructure log aggregation
- Built and deployed HPE ProLiant Gen11 servers for production video systems
- Implemented Kubernetes backup and restore using OADP and Velero; collaborating with vendors to evaluate enterprise Kubernetes backup solutions

Credit One Bank

Las Vegas, Nevada

Windows Sysadmin Intern

Jun 2023 – Aug 2023

- Deployed and managed DHCP servers with load-balanced failover for high availability
- Automated DHCP deployment and validation using PowerShell
- Resolved Windows File Server issues involving locked files, shares, and permissions
- Effectively leveraged vSphere to streamline the deployment and management of Credit One Bank's infrastructure

SKILLS

Automation & Scripting: PowerShell, Shell scripting, Ansible (Automation Platform), Python

Platforms & Virtualization: Kubernetes (Red Hat OpenShift), VMware vSphere

Systems & Identity: Windows Server, Linux/Unix, Active Directory (AD), SCCM

Observability & Data Protection: OpenShift Logging, Loki, OADP, Velero

CERTIFICATION & AWARDS

CompTIA Security+

2026

KCNA: Kubernetes and Cloud Native Associate

2025

1st Place in the UNLV Engineering Senior Design Competition

2024
